Dear Ms. Trainer,

We have received correspondence from you (copy enclosed) asking us to respond regarding an "Amended Statement of Organization" that you say we filed on October 17, 1998 in which we abbreviated the name of our organization rather than use the full name of our organization.

You did not enclose a copy of the October 17, 1998 "Amended Statement of Organization" and we request that you send us a copy of that document so we know what you are referring to.

In addition, you did not indicate how we were to respond. Do we file another "Amended Statement of Organization?" Please advise.

We have always been meticulous in complying with federal election law but without knowing what document you are referring to and how to respond, we are unable to proceed.

To expedite the resolution of this matter, please feel free to call me at 414-778-5780 or e-mail me at sarmacost@wrtl.org so we can resolve this issue.

Sincerely,

Susan Armacost

Reference: Amended Statement of Organization, dated 11/17/98

Dear Mr. Fox:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-The entire name of your connected organization, "Wisconsin Right To Life, Inc.", must be included in the name of your political committee. While committees may use commonly recognized abbreviations on daily communications such as letterhead and committee checks, committee filings (Statement of Organization, disclosure reports and amendments) must reflect the official name of the connected organization, as well as any abbreviation, within its title. 2 U.S.C. §432(e)(5)

Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather

than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1139.
